

ECO4 & GBIS Flex: Householder Application Form

ECO4 & GBIS Flexibility (ECO4 & GBIS Flex), is a household referral mechanism within the wider Energy Company Obligation (ECO4 & GBIS) scheme which enables suppliers, local authorities (LAs), and Devolved Administrations (DAs), to target low-income households who are unlikely to be in receipt of the scheme's standard approach to fulfilling eligibility. Under ECO4 & GBIS Flex, a participating LA can refer private tenure households that it considers to be living in fuel poverty or on a low income and vulnerable to the effects of living in a cold home.

This form allows households across Great Britain to apply to their local authority for the ECO4 & GBIS Flex scheme, as outlined by the Department of Business, Energy and Industrial Strategy (BEIS).

This application form does not guarantee eligibility for ECO4 & GBIS Flex, and all applications are subject to an assessment carried out by the local authority, as outlined in the ECO4 & GBIS Flex: Local Authority Administrative Guidance¹.
